

LIST OF COUNTRIES/REGIONS SUBJECT TO EU AND US SANCTIONS

Effective as of: 2022-04-07

To Nilfisk suppliers of goods and services (vendors) and dealers and distributors of Nilfisk products:

The following countries and geographic regions are subject to extensive trade and economic sanctions imposed by the European Union and/or the United States, or are subject other trade restrictions imposed by certain governments and/or Nilfisk's major customers or banks. These measures prohibit or severely restrict companies based in the EU or US from doing business with parties in these countries.

Nilfisk vendors and dealers/distributors may not deal with the countries below, or any parties based in those countries, as part of their business dealings with Nilfisk, except with Nilfisk's prior written consent in each case. This requirement is incorporated by reference into supply and dealer/distributor agreements between Nilfisk its vendors and dealers/distributors, respectively. Nilfisk may terminate any such agreement with immediate effect, and without any liability for Nilfisk, if its counterparty acts in breach of this requirement.

PLEASE CONTACT YOUR CONTACT PERSON(S) AT NILFISK IMMEDIATELY IF YOU HAVE ANY BUSINESS DEALINGS INVOLVING THESE LOCATIONS THAT MAY IMPACT YOUR BUSINESS WITH NILFISK.
